---

## Objective

Motivated and detail-oriented engineering graduate seeking the role of Associate Engineer to contribute to the development and delivery of high-quality software solutions. Eager to work in an agile environment, take ownership of the complete software lifecycle, and continuously learn and grow while delivering clear, maintainable, and efficient code.

---

## Education

- |  |           |
|--|-----------|
| • <b>Vignan's institute of engineering for women</b><br>B.tech CSE AI & ML | 2022-2026 |
| • <b>Sri Chaitanya junior college</b><br>INTERMEDIATE                      | 2020-2022 |
| • <b>St.Joseph's girls high school</b><br>ICSE 10th class                  | 2010-2020 |

---

## Skills

- Programming - Python,Java
- HTML5 & CSS
- AI tools- MCP model,cursor ai,hugging face
- DBMS- mysql
- Microsoft - word,paint, excel
- Bootstrap
- Frontend tools-Canva ,figma
- Computer fundamentals - Data structures , operating systems,Oops,

---

## Projects

- **Emotional based Ai interviewer**  
AI Emotional-Based Interview Assessment  
Participated in an AI-driven mock interview that evaluated emotional intelligence, communication style, and confidence based on facial cues, voice tone, and behavioral responses. Improved self-awareness and adaptability through real-time feedback on non-verbal and verbal performance.
- **Ecommerce website**  
Independently designed and developed a basic yet innovative eCommerce website focused on user-friendly shopping experience. Built using HTML, CSS, and JavaScript, with features such as product display, add-to-cart functionality, price filtering, and responsive layout. Emphasized clean design, intuitive navigation, and performance optimization.

---

## Achievements & Awards

- Talentio tech training achievement certificate
- NPTEL elite certificate for Data mining and DBMS
- Google Developer Groups AI jams certificate from google company

---

## Activities

- As Google Developer Groups member i have participated and volunteered in many workshops and hackathons
- As a coding club member i have learned and interacted with my coding enthusiastic members
- Successfully implemented a business idea for 2 years at college and got the highest earnings

---

## Languages

- English
- Telugu
- Hindi

---

## Hobbies

- Singing
- Classical dance
- Web browsing
- Numismatics
